

### Contemporary King Suite

*Contemporary King Suites* are our most exceptional contemporary accommodations. Many feature breathtaking views of the Bay and Golden Gate Bridge. Offering 578 square feet, including sleeping area and sitting area with daybed, each expansive suite is defined by a two-sided gas fireplace to enjoy from both spaces. Each has one King bed, bamboo furnishings, double sinks, separate tub & shower, and spacious patio or deck to savor the view. Secluded and romantic, these luxurious suites are perfect for intimate getaways.
