Formerly Fort Baker's historic gymnasium, this wedding space of rustic elegance has been renovated to host larger groups or special events of up to 180 guests, plus a dance floor. Callippe, the main venue, enjoys 33' high ceilings with exposed beams and windows that frame the north tower of the Golden Gate Bridge. This expansive space also features the separate Silverspot room, a multi-purpose area suitable for children, wedding presents or the bride's dressing room. A private Foyer is perfect for cocktail receptions. Outside, the large Terrace offers a firepit and Golden Gate Bridge views, providing additional space for guests to mix and mingle.
