

## *The Frank House*

---

Ideal for small groups and families, the *Frank House* is an historic building just up Kober Street. Offering 1175 square feet, this distinctive house features two bedrooms, each with Queen bed, walnut furnishings and period details. Highlights include expansive views of Fort Baker, San Francisco Bay and the city; separate living room with gas fireplace; and private front porch that is glass-enclosed to enjoy year-round. A small kitchen provides a refrigerator, cook-top, microwave, coffeemaker and other kitchen items.
